

## REACH Declaration of Conformity

Regulation (EC) No 1907/2006

*concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals*

The **Dott. Gallina S.r.l.** company with registered office at Corso Galileo Ferraris 70 - 10029 Turin, Italy and plant at Strada Carignano 104 - 10040 La Loggia (TO), Italy

### DECLARES THAT

- products belonging to the *arcoPlus*<sup>®</sup>, *arcoWall*<sup>®</sup>, *Velario*<sup>®</sup>, *PoliCarb*<sup>®</sup>, *PoliComp*<sup>®</sup>, *Scudo*<sup>®</sup>, *TegoPlus*<sup>®</sup> and *TegoLux*<sup>®</sup> lines, put on the market by us, are manufactured by transforming mixtures of polymers and additives, if any. According to REACH, mixtures must not be registered, but constituent substances need to, if subject to REACH. According to REACH, polymers as such are exempt from registration (article 2, paragraph 9);
- no new substance is created during the transformation process, nor is imported directly from outside the EU, therefore there is no requirement for registration;
- all raw materials that make up the "mixtures" are purchased from qualified suppliers and a verification of the supporting documentation is carried out in order to verify compliance with REACH (accompanied by REACH registration number if not exempt from registration);
- none of the candidate SVHC substances, present in the list published by ECHA on the date of signing of this document, are used and none are considered to be present in concentrations higher than 0.1% w/w in our materials, according to the production recipes for the above mentioned items;
- no substances subject to authorization (Annex XIV) or restriction (Annex XVII) regimes are used for the intended uses;
- this declaration is subject to updating for each variation of the SVHC list or of Annexes XIV and XVII to REACH. Until then, the current document TRANSLATE remains valid

This declaration is valid for the finished product in the conditions in which it is delivered to the Customer, while it does not cover any subsequent alterations.
